Dear Chris:

I hope all is going well with you and yours as we enter this hot summer season!

The purpose of this letter is to share some exciting news with you. The Sauers Group, Inc. (f/k/a Atlanta Web Printers, Inc.) and your organization have combined to win a statewide award recognizing brilliantly designed and printed pieces (in your case, the G8 Summit magazine) at the recently held Printing & Imaging Association of Georgia awards celebration.

We are excited to announce that The Sauers Group has won the most awards, in this competition, of **ANY** web printer in the state of Georgia. This is the sixth year in a row we have accomplished this feat. This was a huge honor and only made possible because of our dedication to excellence and our tremendous print partners.

The enclosed award (which was custom created for you) commemorates this great achievement on both of our parts. We sincerely thank you for the trust you place in us day in and day out! It has been our honor and privilege to print the G8 Summit magazine for your organization for the past few years now and it is always an award winning piece!

It has always been, and always will be, our goal to provide you with the epitome of quality and service. This achievement memorializes that commitment anew. So we hope that you will hang this award in your "*Hall of Fame*" along with other awards that recognize the G8 Summit magazine for excellence!

We have a lot of exciting things in the works in 2007 and beyond and look forward to sharing them with you in the near future. Our main goal is to be a full service visual communications solution for you.

As always, feel free to call your Salesperson, Account Manager (CSR) or me in regard to anything we can do to make your experience a better one. So that you have it, my direct number is (770) 621-8898 and email is ryan.sauers@sauersgroup.com

Once again, congratulations... and thank you for your partnership.

Warmest regards,

Ryan T. Sauers
